免責聲明

This presentation was prepared by Kerry Logistics Network Limited (the "Company") for reference and general information purposes only. This presentation is not intended to and does not constitute investment advice, recommendation, invitation or offer to enter into, any agreement to purchase, acquire, dispose of, subscribe for or underwrite any securities, shares, debentures or structured products.

The information contained in this presentation comprises extracts of operational data and financial information of the Company. The information is included solely for this presentation and certain information has not been independently verified. No representation or warranty, expressed or implied, is made with respect to, and no reliance should be placed on, any discussion, materials and information provided in and during the presentation (collectively, the "Information") as to their accuracy, completeness, validity, timeliness, correctness, or fairness. It is not the intention to provide, and you may not rely on the Information as providing, a complete or comprehensive analysis of the Company's financial or trading position or prospects. Potential investors and shareholders of the Company are particularly reminded that any reference to past performance should not be taken as an indication of future performance. The Information (including without limitation all estimates, forecasts, projections, expectations, outlooks and opinions contained in this presentation) is subject to change without notice. This presentation may not contain all material information concerning the Company and is not intended to provide the sole basis of any evaluation of the Company and its subsidiaries or the securities discussed herein.

This presentation may contain forward-looking statements, forecasts and/or projections. Statements that are not historical facts, including statements about the Company's belief and expectations are forward-looking statements. Any forward-looking statements, forecasts and projections contained in this presentation are based on certain assumptions and expectations of future events (which may or may not be included in this presentation) regarding the Company's present and future business strategies and the environment in which the Company will operate, and must be read together with those assumptions. The Company does not guarantee that these assumptions and expectations are accurate or will be realized. Actual future performance, outcomes and results may differ materially from those expressed in such forward-looking statements, forecasts and projections as a result of a number of risks, uncertainties and assumptions. Although the Company believes that such forward-looking statements, forecasts and projections are based on reasonable assumptions, it can give no assurance that such expectations will be met. None of the Company, nor any of its holding companies, subsidiaries, associated undertakings, joint ventures, controlling persons or affiliates, or any of their respective directors, officers, partners, employees, agents, advisors or representatives (collectively, the "Affiliates and Representatives") assumes any responsibility to update any forward-looking statements, forecasts and projections or to adapt them to future events or developments.

In no event shall the Company, or any of the Affiliates and Representatives have any liability or responsibility whatsoever (whether directly or indirectly, expressly or by implication, in contract, tort, by statute or otherwise) for any decisions taken based upon this presentation, the Information or for any loss howsoever arising from any use of or reliance upon the whole or any part of this presentation or the Information or otherwise arising in connection with this presentation or the Information.
